Innovation  
Norway

### Polish Hydropower Conferences RENEXPO Poland

For 5 years already the annual RENEXPO Poland hydro-power conferences have been a platform of hot discussion on challenges encountered by the hydropower sector in Poland and other European countries in view of changes in its legal & administrative constraints, but also capabilities resulting from the hydropower potential, available technology and environmental requirements. Our events provide a unique opportunity in the region for exchange of opinions and information on observed trends and prospects for the sector, as well as experience on erection and operation of hydropower installations, new solutions to technical problems and the results of R&D efforts. The debate is attended by representatives of broadly conceived hydropower sector, academic institutions, central and local authorities as well as NGOs. So far we had a pleasure to welcome delegates from Poland, Czech Republic, France, Germany, Lithuania and UK. Thanks to engagement of the Norwegian Embassy Commercial Section and the *Innovation Norway* programme, our events are regularly attended by representatives of the Norwegian companies and institutions.

The success of previous editions has shown our events to represent a relevant response to expectations coming not only from our country, but also from its environment. Due to this reason the Organisers have decided to address the Polish Hydropower Conferences to representatives of whole the region of Central-Eastern and Northern Europe, while counting also on some interest from outside of this area. Following the example of previous years the debate will be carried out in Polish and English with simultaneous interpretation support.

The novelty is a two-day Conference format and establishment of a Scientific Committee with the task to recommend publication of papers based on the conference contributions in the English-language peer-viewed journals *Acta Energetica* and *Transactions of the Institute of Fluid-Flow Machinery*. The papers addressed to a broader circle of readers will be still published in the *Energetyka Wodna* basing on the recommendation issued by the Organising Committee. The conference package will comprise the annual subscription of *Energetyka Wodna*, access to the electronic version of presentations and printed proceedings with extended abstracts of conference contributions (up to two pages of Times Roman 10 pt print). The Book of Abstracts will be published and assigned an ISBN serial number by the Szwalski Institute of Fluid-Flow Machinery Publishers.

The Sixth International Fair for Renewable Energy and Energy Effectiveness

## RENEXPO® Poland

EXPO XXI Center, Warsaw, 19-21/10/2016, ul. Gen. I. Prądzyńskiego 12/14, Warsaw, Poland

## Call for papers

All those interested in sharing their knowledge and experience in form of a conference contribution are invited to submit the completed registration form at the following address:

**The Szewalski Institute of Fluid-Flow Machinery  
of the Polish Academy of Sciences**  
TEW Hydropower Consulting Bureau  
ul. Fiszerka 14, 80-952 Gdansk, Poland  
tel. 58 6995-130, e-mail: [pkew@imp.gda.pl](mailto:pkew@imp.gda.pl), room 218

Please register your contribution by **August 31th** at latest. An extended abstract should be prepared according to the enclosed template and submitted at the same address by September 15th. Within the same deadline the decision on contribution acceptance will be taken and the detailed Conference programme will be disseminated. We cannot guarantee including abstracts submitted after this deadline in printed proceedings.

## Conference applications

Participation in the Conference requires registration and payment of the conference fee. You can register to the Conference using the [www.renexpo-warsaw.com](http://www.renexpo-warsaw.com) website or by sending the completed registration form at the following address: **Biuro Towarzystwa Elektryczni Wodnych, ul. Piaskowa 18, 84-240 Reda**, phone/fax: +48 58 678 79 51, e-mail: [biuro@tew.pl](mailto:biuro@tew.pl). The completed registration form will be the basis for issuing an invoice for participation in the Conference. The following fees apply (net values, €):

Application date	till 30.09	after 30.09
Basic fee	180	200
TEW/TRMEW members	150	180
Authors*, session chairmen, students	100	120
TEW reception	20	20

\* Only non-commercial contributions.

The fee shall be paid at the TEW account, according to the invoice received. The conference fee covers participation costs, including the proceedings and the conference dinner at the end of the first day. The Organisers reserve themselves the right to apply special discounts and to issue free invitations for Conference guests. For further details and application forms please consult the TEW Office (☎ +48 58 678 79 51, [biuro@tew.pl](mailto:biuro@tew.pl)), TEW Hydropower Consulting Bureau (☎ +48 58 6995 130, [pkew@imp.gda.pl](mailto:pkew@imp.gda.pl)) and our websites [www.tew.pl](http://www.tew.pl), [www.trmew.pl](http://www.trmew.pl), [www.imp.gda.pl](http://www.imp.gda.pl), [www.renexpo-warsaw.com](http://www.renexpo-warsaw.com).

## Sponsorship

The Conference will provide an excellent opportunity for establishing your new contacts and strengthening existing relationships with your partners. Sponsorship of the whole Conference or some Conference events may appear really helpful in this respect. In any case the Conference Organisers guarantee notifying the Conference Delegates about your sponsorship in the Conference proceedings and at our websites. Please contact the TEW Office for further details.

## Preliminary Framework Programme

October 19th, 2016	
08:30	Registration of the delegates
9:30	<b>Opening of the Conference</b>
9:40	<b>Session I:</b> Hydropower in economic strategy and environmental policy of Poland and the countries of Central-Eastern and Northern Europe– Part I
11:00	Opening of the RENEXPO Poland Fair
12:00	<b>Session II:</b> Panel debate: „What future for hydropower ?”
13:30	Lunch break
14:30	<b>Session III:</b> Hydropower in economic strategy and environmental policy of Poland and the countries of Central-Eastern and Northern Europe– Part II
16:00	<b>Closing of the 1st day debate</b>
19:00	<b>Conference dinner</b>

October 20th, 2016	
09:00	<b>Session IV:</b> Investment projects in the region - Lower Vistula Cascade
10:30	Coffee break
11:00	<b>Session V:</b> Good practices and experience on design, erection and operation of hydropower plants
12:30	Lunch break
13:30	<b>Session VI:</b> Technical innovations
15:00	Coffee break
15:30	<b>Session VII:</b> Hydropower oriented research and R&D projects
17:00	<b>Closing of the Conference</b>
20:00	<b>Reception of the Polish Hydropower Association</b>

## Publishing collaboration and media patronage
